

My 34 Birth day

Maganza La June 19th 1864

Dear Wife

It is now eve- I intended to write you a long letter to day but this P.M. I have been busy preparing for a move; we start in about an hour, which will be 9 o'clock on board of transports, where we are going for what purpose I know not, only expect to have a brush with the Rebs. We are to take 10 days rations with us. I have not been well for a few days, but feel a little better to day, I may not be able to write you again for 10 days. I would like to write now but have no time. Good bye love & I may not ever write again, if not remember me to your true love- Yours J. Henry Jenks
